Dear honored client

This is Anern Industrial Group, much appreciate your close attention and warm support all the way along. We introduce a new integrated solar street/garden light.

Features:

1. All components (solar light, solar panel,controller and battery) are integrated within one housing body.
2. Easy, quick installation, maintenance free.
3. Built-in infra-red sensor regulates light output automatically.
4. Lighting mode:
8 hours per night;
30% brightness as constant light;
100% brightness for 45 seconds when motion is sensed.

Any demand, please feel free to get in touch with us.
