Dear Manager,

How are you? hope you are all doing well.

Recently, we made about 400 pcs threaded and socket welded ball valves for a oil projects, the pressure is class1500 to class2500, and the size is 1/2" to 1"
The photos is as below for your information:

If

If there is any project we can help, pls. contact with me freely.
The best price and quality will be supplied.

Thank you.

Best regards,
Roger Wang**Guangdong Mingzhu Fluid Machinery Co. Ltd**
