Dear Customer,

We wish to start a business relationship with you.

Depending on advanced technologies, excellent production facilities, precise inspection instruments, strict scientific management and trustworthy products.

We can supply good quality Over/under voltage protection,Timer Switch,Timer Relay,Solid State Relay,Solid State time,Ultrasonic Sensor,Proximity switch,Photoelectric sensors,with competitive price.

and I can help you find a new product and design new products,because our city have lots products.

Then we can offer the best service for you ,Thanks

I would appreciate if you forward this letter to Technical Manager or to other expert responsible for technical integration of new products in your company,

or provide me with his contact for we could discuss all the details of our future cooperation.

Are you interest it?

waiting for your reply.

Best regards.

Mr. Young Ke
