Write me back or call me if interested.

LED rechargeable floodlight

up to **30** hours use on one charge

5W 10W 20W 30W 50W PSE TÜV ERP

Dimmer Switch

The advertisement features a collection of various LED rechargeable floodlight models. The top section shows a row of different designs, including some with handles and others on stands. Below this, there are images of a dimmer switch, a grid of color options (red, green, blue, purple), and several floodlights in their carrying cases. The bottom section displays a row of floodlights in various colors (green, black, red, yellow, black, red, black) and sizes, all set against a light green background.

Best regards,

Ethan
