Below are Accessory

Item Name	colour	spec		Unite price USD	Picture
BL-Power-NW-A	white	non-waterprof Power cord with Europe plug, with Rectifier For single color LED Strip light This power cord only for indoor use	8A Rectifier 2 years warraty	0.47	
BL-Power-NW-B			4A Rectifier 1 years warraty	0.28	
BL-Power-WP-A	white	waterprof Power cord with Europe plug, with Rectifier For single color LED Strip light This power cord can be indoor or outdoor use	8A Rectifier 2 years warraty	1.03	
BL-Power-WP-B			4A Rectifier 1 years warraty	0.38	
BL-2 Pins-A		two Pin For single color LED Strip light	1 years warraty	0.10	
BL-2 Pins-B			2 years warraty	0.04	
BL-4 Pins-A		four Pin For RGB color LED Strip light		0.16	
BL-Power-DM	white	Dimmer with remote controller for single color LED strip It can support maximum 20 meters LED strip.		6.62	
2 pins middle conector		2 pins middle conector For single color LED Strip light		0.30	
4 pins middle conector		4 pins middle conector For RGB color LED Strip light		0.40	
L shape 01 middle conector		L shape middle conector For single color LED Strip light L shape for right side		0.45	
L shape 02 middle conector		L shape middle conector For single color LED Strip light L shape for left side		0.45	

Item Name	colour	spec	Unite price USD	Picture
Mounting clip		Mounting clip for RGB or single color LED strip	0.05	
End cap		End cap for RGB or single color LED strip	0.05	
Glue		Glue to make the plug connector or end cap waterproof	0.70	

Below one is New product white PVC series

RGB LED Strip light controller price below

Type A: 16 function controller without remote controller for RGB LED strip

USD2.5 each

It can controller 50 meters RGB LED strip. Have 16 kinds of color changing function when you press the button. Color changing:

1. Gradual change
2. In Waves
3. Sequential
4. Chasing
5. Flashing
6. slo-glo
7. Step on
8. Slow fade
9. Steady blue
10. Steady red
11. Steady green
12. Steady pink
13. Steady yellow
14. Steady Purple
15. Steady warm white
16. 4 color jump change

Type B: controller with remote controller for RGB LED strip

USD4.7 each

It can controller 50 meters RGB LED strip.
