Hi Friend,  
Good day! This is Caroline from USC Technology Company located in Shenzhen city, Guangdong province.

We found wifi NVR kit has a large potential market. Many customers are buying them for resale on eBay or in their retail stores because of its high profit margin. We have a large stock of wifi NVR kit.

Here enclosed the price list of wifi NVR kit for your reference. If you order more than 10 pieces in one order, you can enjoy a discount wholesale price.

Looking forward to your early response.
