Dear friends:

We would like to enclosing the our production picture for your reference.

Actually we make fixture and acrylic ourself.

We have fixture workshop. And acrylic machine also.

Please you check the production picture for you.

So we can control fixture quality and delivery time. And finish quality also.

And we have many client make order now for our products.

They said our light is so beautiful and finish is amazing.

We really hope that you can start samples first to check market.

Help you have good market products.

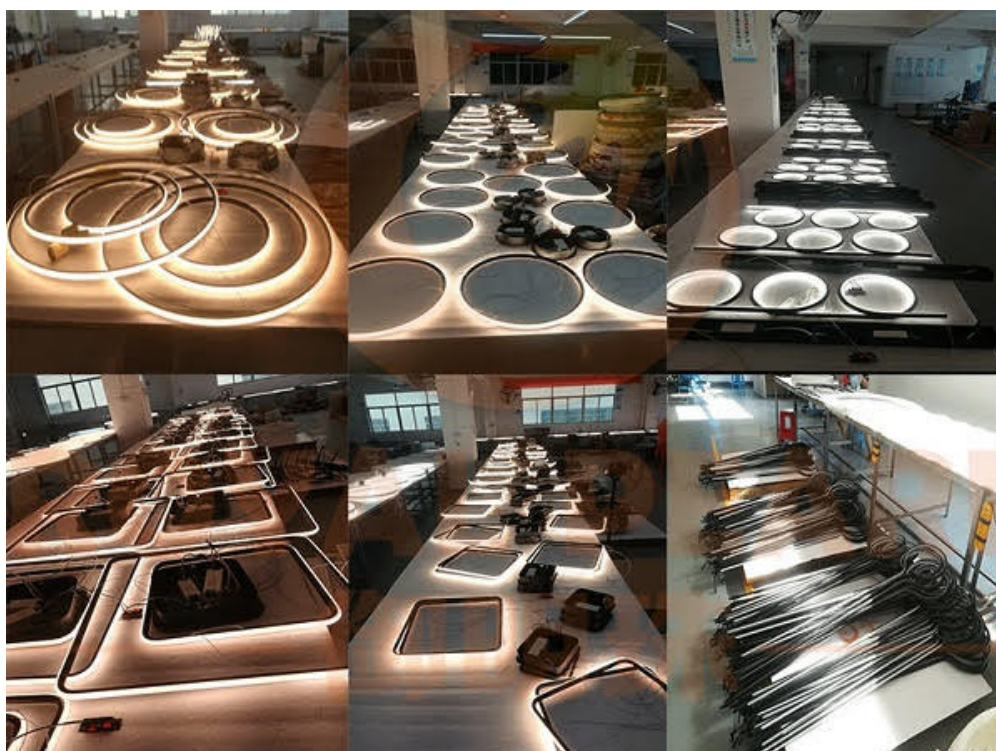

our cli

nt say like our lighting more than our picture.
 Because light is really more beautiful than pictures of lamps.
 Picture can not show reality of products themself.

Please show us your comment.
