# All in One Solar Batten Light(IP67)

SUNPLUS All in One solar batten light (Also called solar carport light) is adapted from our most successful All in Two Led Street Light built on the same platform is an answer to a vast solar lighting applications in urban and rural living.

Lighting Data

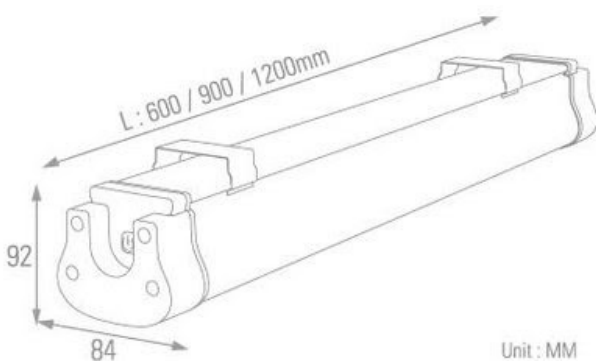

SUNPLUS All in One solar batten light (Also called solar carport light) is adapted from our most successful All in Two Led Street Light built on the same platform is an answer to a vast solar lighting applications in urban and rural living.

Built-in Lithium battery and charge controller integrated with high power led source makes the light a unique weather proof lighting fixture with the advantage of solar. The easy MC4 plug in set up makes the light extremely easy for installation and portability. Built with high quality components, Auroras solar batten carport light can meet project requirements as well in any challenging environments.
