Dear byggis.se ,

Good day! I am Janet from [3A Technology Co., Ltd](#) ,which is a professional manufacturer of portable solar generator, power bank, and other battery pack products for over 10 years. OEM/ODM is welcomed.

Hot selling season is coming, are you ready to have new products?

Here kindly introduce you newest portable power device- **Mini Solar Generator, which is made according to EMC standard.**

This is an all-in-one solar machine and perfect for blackouts, emergencies, camping and the outdoors. Camping lover could use it everywhere and charge it by solar panel or electrical outlet. UK,US and universal sockets for option.

If it catch your eyes, please feel free to contact us.

Many thanks.

Best regards,
Janet Peng
