Dear Byggis,

Glad hear that you're on the market of safety gloves. .

We are a professional safety leather gloves/ mechanic gloves/synthetic gloves manufacturer since 1982s.  
We have 200 employees and strict QC management, we pass WRAP, ISO9001, UL and BSCI etc.

Please find the pictures with models in attachment. An American guy purchased this model in BIG quantity last year. I would like to try now, if it's suitable for you

**FREE SAMPLES can be sent on request. Call me, let's talk more!**

Many thanks and best regards!
