Hi my friend,

The busy season is coming now, take this opportunity, I'd like to share with you one of our hot sell strip--RGBW(4 in 1) strip

- DC12V/24V RGBW(4 in 1). RGBWW(5 in 1) also are available.
- Using double-layer FPC with 2oz copper thickness
- CE RoHS UL certified(UL No.:E486188)
- Warranty :3 years (only replacement without repair)
- Different waterproof classes for choices: IP20/IP54/IP65/IP67/IP68
- Economic IP65(Super thin silicone on the surface), light weight, save shipping cost, only add 0.2USD per meter based on the non-waterproof

Any idea you want to customize, we will help you make it real :)

Best Regard

Aimee
