Greetings, I am Ocean Wang, since 1999 our company Welgo Environmental Equipment has been manufacturing and selling ozone generators and UV sterilizers for disinfection of swimming pools and spas to over 30 countries and regions.

Some pictures of our products are attached for your reference.

And we will participate at Barcelona Global Aquatic Exhibition on 17th to 20th October 2017 (B1308), meet you there!

Best regards!
