Hello ,

How are you doing?

The Twothousand Machinery is more than glad to invite you on the 40th HOST MILANO 2017, our booth number **Hall4 Z58**. With regard to this event, it will be held at the Fiera Milano, Milan, Italy on the 20th day of October to 24th day of October 2017.

The event will be attended by a lot of people, and professionals in the hospitality industry. There will be a lot of products to be put on display such as the planetary mixers, dough kneading mixers, turnover machine, blast chillers in the exhibition.

The TWOTHOUSAND MACHINERY mainly exports all planetary mixers and dough kneading mixers to the industries and worldwide markets for almost 17 years. We also supply all gear transmission planetary mixers that have been classified as the best and most impressive because of their low maintenance, stable quality, low noise and favorable prices.

Moreover, TWOTHOUSAND MACHINERY manufactures only the blast chillers with GRANDCHILL brand. GRANDCHILL also implements and complies on the refrigeration equipment manufacturing standard of the European Union and USA. We also take "2 years warranty, 10 years product lifetime" as our goal to manufacture only the most durable and
